## Supplies:

Size 9 (American) Circular Knitting Needles

Approx. 12 oz of main color (Iced Aqua)

Approx. 4 oz of first contrast color (Pewter)

Approx. 4 oz of second contrast color (Daffodil)

Stitch Markers

Crochet Hook Size H for finishing

NOTE: The abbreviation of "SSK" used in this pattern is a "Slip, Slip, Knit" and is worked as follows: Slip the next two stitches **knitwise**, one at a time, then insert the tip of the **left-hand needle** into the fronts of these two stitches, **from the left**, and knit them together from this position.

Here is the Pattern Stitch you will be using:

**Rows 1 - 5:** Knit

**Row 6:** \*K2 tog, K2, Increase in the next 2 sts, K3, SSK, repeat from \* across.

**Rows 7, 9, and 11:** Purl.

**Rows 8, 10 and 12:** Repeat Row 6.

This pattern stitch is a multiple of 11. I found it helpful to place stitch markers every 22 stitches (the first time I worked Row 6) so I could keep track of my pattern. I suppose you could place them every 11 stitches but that was more stitch markers than I wanted to keep moving around :)

## INSTRUCTIONS:

With main color (Iced Aqua) cast on 154 stitches.

\* Work pattern Rows 1 - 5.
