

Knit Scrubbie Pattern

Made with Red Heart Scrubby Yarn

Needles: Size 8 (American)

Yarns: Red Heart Scrubby Yarn and a cotton yarn (like Sugar 'n Cream)

Yarn is held double while knitting this pattern. Choose one of the options below:

Option 1: Knit with two strands of scrubby yarn. (for this option the cotton yarn is not needed)

Option 2: Knit with one strand of scrubby yarn and one strand of cotton yarn

Cast on 15 stitches.

Knit in garter stitch (knit every row) until piece measures 3" from the beginning (about 22 rows).

Bind off loosely. (binding off loosely helps you slip the scrubby yarn off the needle, and makes for a stretchier edge on your scrubbie too).

To finish, weave in any yarn ends as necessary.
